RE: Tittle v. Bamberger

Dear Ms. Gibbs:

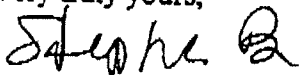

I wish to express my appreciation for the efforts of both ALPS and the Law Offices of Joseph Cunningham (James Markels) in my defense.

The professionalism demonstrated by Joseph Cunningham and James Markels far exceeded all my expectations. They first prepared and filed a demurrer that addressed fully the factual and legal issues in the case. That demurrer resolved a number of issues in the case successfully. They then thoroughly prepared for trial and entirely due to their expertise and broad experience were able to make and have granted motions to strike the plaintiff's evidence resulting in a directed verdict for the defense.

ALPS and the Cunningham firm demonstrate why attorneys in Virginia and elsewhere can rely on their support.

Once again, thanks to ALPS and the Cunningham firm for their efforts.

Very truly yours,

Stephen A. Bamberger
